<i>1/8 l Rosé, Weixelbaum</i>	€ 5,60

*How the lake Mondsee (moonlake) got his name?*

*Legends from the old monastery relate that the Bavarian Duke Odilo was out hunting in the region when it suddenly got dark.*

*The full moon saved him from plunging into the lake, whereupon he built a monestary on its shores and Mondsee, or Moon Lake was christened.*

## *Wine suggestion*
